Early Bird Registration:
23 July 2012

www.ftd2012.org
FTD 2012: Collaborate with the World’s Best!

Share your findings and analysis with the world’s leading FTD experts. By submitting an abstract, you will be taking an active part in this influential forum for the exchange of ideas and expertise on the latest developments in Frontotemporal Dementias. Speakers for the conference will come from abstract submitters, giving you a unique opportunity to discuss, debate and network with old colleagues and new professional contacts alike.

Why you should attend FTD 2012?
The International Conference on Frontotemporal Dementias provides clinicians and researchers with a platform for exchanging knowledge about the latest developments in FTD.
